Remember to add your trainer as a person!

When you create your first entry expand the "Org Numbers" areas and add the org numbers for your people and horses. Once you add them once you're done, they'll be remembered.

Entering "n/a" for a number will cause that organization to not be displayed in the future...

Put in your id and password and click on “Login”.

The image shows a login interface with the following elements:

- Log In** button at the top right.
- Email Address:** Input field.
- Password:** Input field.
- Remember Me** checkbox.
- Cancel** button on the left.
- Login** button on the right, highlighted in black.
- Create Account** and **Forgot Password** links at the bottom.

The next screen is where you will select “Stabling/Feed and Bedding”. This is where you will find the selections for the Performance Awards and Program Awards

The image shows a menu screen with the following elements:

- Menu - Horseshowing.com Online Entry - Menu** at the top.
- A list of menu items: **People/Horses**, **Create Entries**, **Stabling / Feed and Bedding**, and **Dashboard**, each with a right-pointing arrow icon.
- Instructions**: *There are instructions at the bottom of every page.*
- Before you start submitting entries**: *you first need to populate your account with People, possibly Biz/Farms (owners only), and Horses. If you're using the USEF Lookup you can start with horses as the owners will also be looked up and added with the horses, otherwise it's important that you add your owners before your horses so that the Person or Biz/Farm is available to be selected as the horse's owner when horses are created.*
- If your horse has a subscription you can share it with your trainer**: *on the Options menu at the bottom of the screen you can set your trainers email to link your account to theirs. If you have set your trainer's email, and your trainer has a horse in their account with the same name as your horse, they will be able to submit entries for that horse using the subscription from your account.*
- Once you've added your People and Horses**: *one time you'll be ready to use the Create Entry item above to create entries.*
- Bottom navigation bar** with icons for **Menu**, **Options**, **Terms of Use**, and **Logout**.

Click on “Stabling/Feed and Bedding”. Search for “National Adaptive Virtual Horse Shows”. Click on show.
